HLB International

HLB Poland

THINKING GLOBAL, ACTING LOCAL

As members of HLB International we have focus on international business, quality and personal service. Quality is the key driving force, reinforced by regular quality assurance reviews of all member firms by HLB International, an up-to-date ISA compliance international audit manual and membership of external professional bodies focused on quality issues.

All HLB Poland member firms are well established locally and nationally, with close contact maintained between HLB International members through international referral engagements, regular meetings, conferences, bulletins and newsletters.

HLB POLAND - STRATEGIC OFFERING

- **Complementary services** mean members can work together to meet all client needs
- **Comprehensively spread across Poland** gives simple and direct access to partners for potential clients
- **Regardless of size or location**, the service offering mentioned above would ensure delivery of resources for a specific projects, would never be an issue
- **Strength in diversity**, with different backgrounds and expertise HLB Poland member firms unify to present a holistic service offering greater than the sum of its parts
- **The HLB International 'Global Care' approach** supports member firm clients wanting to expand outside their own territory, as well as those operating internationally

TAILORED TO YOUR NEEDS

– If it's not your core business, it will probably be core to us!
