

The outsourcing of your accountancy relieves your resources, leads to cost cutting and guarantees both transparency and data security. We offer your ready to use solutions in Accounting & Payroll business units, which are tailor-made to your requirements and expectations. Utilise our experience to help the success of your business!

Passion for BUSINESS

Unique selling points:

- 1 Employees:** With a highly qualified and motivated team of about 160 employees at our 5 locations in Poland, we develop solutions for individual and comprehensive consultancy services for our clients.
- 2 Comprehensive Consultancy and Service Portfolio:** Our range of services includes tax advice, reliable management of your financial and salary records, and commercial analyses of your financial accountancy figures.
- 3 More than "just" Taxes:** With the experience we have accumulated from serving our clients and cooperating with specialist lawyers, we try to accompany our clients on the road to success.
- 4 Tailored Solutions:** Multitasking. Involving accountancy, tax advice and IT solutions, guarantees tailored solutions that will satisfy you.
- 5 Sustainable and Reliable Cooperation:** With us you have a reliable and competent partner at your side who will always lend an ear to your questions and wishes.
- 6 Client Orientation Through Quality Management:** Our firm's quality and client orientation is certified under ISO 9001:2015.
- 7 Data Security:** We take data security seriously. Evidence of this is our "Information Security Management" certification under ISO/IEC 27001:2013.
- 8 International Orientation:** We belong to the HLB, a world network of independent auditing firms and company consultants. That makes us a strong partner for everyone who wants to act beyond the borders of his own country.

We provide you with our e-Services e.g.:

■ Live Data Access (Secure and password protected)
