ACCOUNTING

getsix® provides comprehensive accounting services for your company. Our services cover the full spectrum of accounting, including VAT registration, tax refund calculations, and representation before Polish authorities. We prepare annual financial statements and consolidation packages, including those in accordance with the German Commercial Code. Thanks to our advanced reporting solutions, we ensure complete transparency and control over your company's finances.

HR & PAYROLL

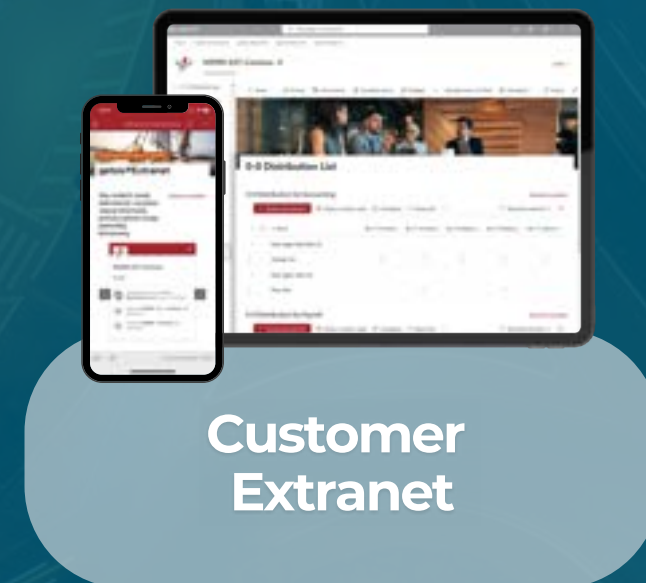

We offer comprehensive HR services, including the management of personnel files, payroll processing, calculation of health and social insurance contributions, as well as the preparation of tax declarations for management and employees. Additionally, we handle the creation of work and compensation regulations and provide support during tax and Social Insurance Institution (ZUS) audits. Our professional approach guarantees effective management of all HR aspects, ensuring cost optimization and full compliance with regulations.

OUR E-SERVICES

ACCOUNTING AND HR POWERED BY TECHNOLOGY

At getsix®, we offer a suite of secure and intuitive e-services that make accounting, reporting, and communication simple, transparent, and efficient:

- **Customer Invoice & Workflow Portal** – streamlines invoice management from receipt to accounting with full transparency, mobile access, and ESG-friendly features.
- **Customer BI & Reporting Portal** – powered by Power BI, transforms financial and operational data into actionable insights for faster decisions.
- **Customer Extranet** – ensures secure 24/7 access to reports, files, and corporate data, creating smooth communication with our team.
- **Microsoft Dynamics 365 Business Central** with getsix® – delivers cost savings, compliance, financial control, and scalable growth.

TAX & LEGAL SERVICES

TAX SERVICES

Our services include comprehensive preparation of tax declarations, interpretation of regulations, and advisory on tax burden optimization. We also offer precise financial policy advice and representation before the Tax Office. With our experience and specialized knowledge, we ensure effective management of tax obligations and support in achieving your company's financial goals.

LEGAL SERVICES

Leveraging extensive experience in business consulting, getsix® has established a specialized legal department to meet the needs of foreign entrepreneurs starting operations in Poland. We offer comprehensive legal services, including the establishment of companies and branches, contract analysis, and support in implementing business strategies, ensuring the effective operation of your company in the market.

OUR SERVICES

BUSINESS & CONSULTING SERVICES

BUSINESS SERVICES

If your business requires a presence in Poland, getsix® is pleased to handle all necessary activities on your behalf. We offer comprehensive services, from company formation and securing an appropriate office location to providing professional office services. With our solutions, you can not only reduce rental and facility costs but also minimize employment expenses.

CONSULTING

Independent business consulting provided by getsix® specialists optimizes your company's operational efficiency. Our controlling services contribute to cost reduction, risk minimization, and early identification of unfavorable trends. Clear and comprehensible reports facilitate planning, control, and management, supporting you in making strategic decisions.
